

The Fabric Matchmaker Submission Instructions

A Free Goodie from Fabric Cafe®

Do you have a quilting fabric you love, but find that it is a challenge to match with other fabrics? Or perhaps you have a special fabric from a loved one that you would like to make into a special quilt, but are having trouble matching with today's color palette. The Fabric Matchmaker is here to help!

Send us a swatch and the story behind the fabric. Each month, the Fabric Matchmaker will select three fabrics to feature during one of our episodes at virtualquiltshowvideos.com. Suggestions for two coordinating fabrics and a 3-yard quilt pattern will be given. A rendering of what the quilt will look like will also be shared. If your fabric and story are chosen to be featured, you will win a free 3-yard quilt book of your choice.

To submit your fabric swatch and story, please print this submission page and fill in all information. Send your completed page and fabric swatch to the Fabric Matchmaker address shown below.

- Choose one 100% cotton quilting fabric that has been a challenge to match with other fabrics.
