Materials: 5 yards of 44" wide fabric

Step 1: Preparing Fabric

Cut 5 yards of fabric into 2, 2½ yard pieces. Trim off selvage edges making 2, 42" x 90" backing pieces.

Step 2: Assemble Backing

Referring to **Backing Assembly** diagram, with right sides together and using ½" seam allowance, sew trimmed selvage edges together making one 84" x 90" backing.

Note: Due to variable widths of fabric, the finished measurement will not be an exact width measurement.

Step 3: Position Backing

Turn backing so that the width is 84" and the length is 90". This will be plenty of fabric to back any one of the Fabric Café Twin-Size quilts.
