## Appliqué Placement

### Step 1: Appliqué Prep

Referring to **Appliqué Patterns**, trace patterns to paper side of fusible web. Cut apart, leaving a small margin around traced lines. Following manufacturers instructions, iron to wrong side of fabric. Cut out on traced lines.

### Step 2: Vines & Leaves

Referring to **Appliqué Placement** diagram, fuse **Vines** and **Leaves** to background fabric. Matching thread and using a blanket stitch, appliqué edges.

### Step 3: Flowers

Referring to **Appliqué Patterns**, fuse **Flower Petals** to **Flower Bases**. Referring to **Appliqué Placement** diagram, fuse flowers to background fabric. Matching thread and using a blanket stitch, appliqué edges.

### Step 4: Flower Centers

Referring to **Appliqué Patterns**, fuse **Flower Centers** to **Flower Petals**. Matching thread and using a blanket stitch, appliqué edges.
